## CASH REWARD UP TO \$2,500

### SHERI JO ELLIOTT

On Wednesday, November 16, 1983, Sheri Jo Elliott, 16, left her home on Seneca St., in Flint at 6:30 a.m., en-route to school. She was last seen at W. Dartmouth and Clio Roads walking to her bus stop. Somewhere along the way she was abducted and was not seen again until four days later.

On November 20, 1983, Sheri Jo's body was found in a ditch by a muskrat trapper in Blumfield Township of Saginaw County. She had been sexually assaulted and shot multiple times. The trapper indicated he checked his lines daily and Sheri Jo's body was not there the day before.

Medical records also indicated Sheri Jo was probably still alive as late at 11/19/83 which means she had been kept against her will at an undisclosed location.

Tips received through 1-800-422-JAIL that help lead to an arrest are eligible for a cash reward.
